

YOU'LL BE SPOILT FOR CHOICE

From white moulded, ultra-slim contemporary designs, to decorative metal plates; Niglon provides a comprehensive offering for all budgets and applications.

Over 600 Products Across 8 Different Ranges

Ultima
Screwless Decorative
Manufactured from stainless steel and available in brushed & polished chrome finishes, with no visible plastic switch surround.

Profile
Slim Moulded
A modern designed smooth-edged range of wiring accessories made from urea, which has inherent anti-microbial properties.

Arctic Edge - Traditional
A white, square-edged, moulded accessory manufactured in a robust urea construction. Arctic Edge offers traditional design values for new, or existing installations.

Hurricane - Weatherproof
Constructed from a High Impact Resistant material. Hurricane products are designed to withstand ingress from dust and water, in both indoor and outdoor applications.

Premium Edge
Slimline Decorative
A comprehensive, modern, ultra-slim, decorative, stainless-steel accessory range finished in brushed and polished chrome with white or black coloured inserts.

Euro Media
TV / Data & Power
A range of euro sized modules allowing integration of TV, Data and USB charging points into Ultima, Premium Edge & Profile faceplates.

Matrix 20 - Grid System
An extensive range of grid modules provide easy on site configuration, offering seamless integration into matching faceplates.

Metallic - Metal Clad
A comprehensive range of metal clad wiring accessories for use in the most demanding environments. Manufactured from heavy duty steel and finished in satin silver.
