PREMIUM EDGE S

Accept No Alternatives

A range of switches and sockets featuring a contemporary low-profile design, manufactured with stainless steel faceplates, in a luxurious brushed chrome effect finish.

Metal to Metal Rockers

No visible plastic switch surrounds, creating a sleek and lavish look to each faceplate.

Grey Inserts

Subtle grey inserts guaranteed to compliment any style of interior décor.

Smart USBs

Smart USB outlets can detect USB devices when plugged in, adjust charging current, turn to standby when fully charged and protect devices in the event of an overload.

LEDs

Where applicable flush red LED indicators have been fitted, giving a clean sophisticated look to the range.

Modular Switches

All 10AX light switches are constructed using a highly adaptable modular design, allowing reconfiguration on site, without the need for a full grid system.

Edge to Edge Gasket

Concealed edge to edge gasket to prevent tarnishing of the plate where moisture is present during installation, such as on freshly plastered or painted walls.

20 Year Guarantee*

*2 year guarantee on electronic products
