Soft Curved Edge
Wiring Accessories Range

Introducing

The Median Range

A new take on traditional moulded wiring accessories manufactured in bright white Urea.

Our Median range is the complete solution for all jobs; clean, simple and with an understated appearance it is designed to compliment all interiors.

This is also the first of our ranges to have single screw fixings on all its modular switches, allowing quick and easy reconfiguration on site.

Featuring a soft profile faceplate, made out of robust urea. The Median range is supplied with matching screw cap covers, providing a clean and uncluttered finish.

Now read more about all the features that help make this range stand out from the crowd.

Soft Profile with Screw Caps

Soft profile faceplates result in subtle products that will be highly practical in their use but unassuming in their location. The screw caps have a click on action for easy use, adding to the sophisticated look of every faceplate.

USBs

Smart USB socket outlets are able to detect USB devices when charging and adjust the current, turn to standby when device is fully charged and have the ability to protect the devices in the event of an overload.

Accepts LED Dimmer

Expand the Median range further with the use of our LEDDIM120. Complete with three mode settings for maximum compatibility and programmable minimum brightness levels to eliminate flickering.

Product Features

Neons

Where applicable flush red neon indicators have been fitted, giving a clean sophisticated look to the range. The use of neons is unobtrusive in daylight and produces a soft glow in the dark.

Single Screw Modular Switches

All 10AX light switches are constructed using a highly adaptable modular single screw fixing design, allowing reconfiguration on site, without the need for a full grid system.

Antimicrobial Properties

The Median range is made from a high grade Urea, which has inherent antimicrobial properties, helping to stop the spread of pathogens such as MRSA, E.Coli, Salmonella and Klebsiella Pneumonia.

Guarantee

This range is manufactured using high quality electrical components and materials, backed up with a 20 year guarantee*, giving you the confidence that these switches will stand the test of time.

*2 year guarantee on electronic products.

10AX Light Switches

White Urea

Standard of Compliance
BS EN 60669-1

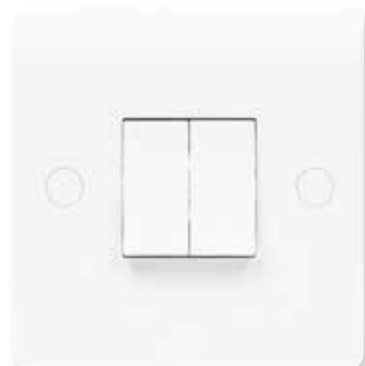

Mounting Boxes
16mm deep (1-2 gang plates)
25mm deep (3-6 gang plates)

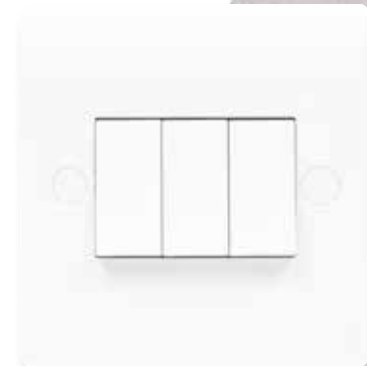

NSP611
1 Gang 1 Way Light Switch

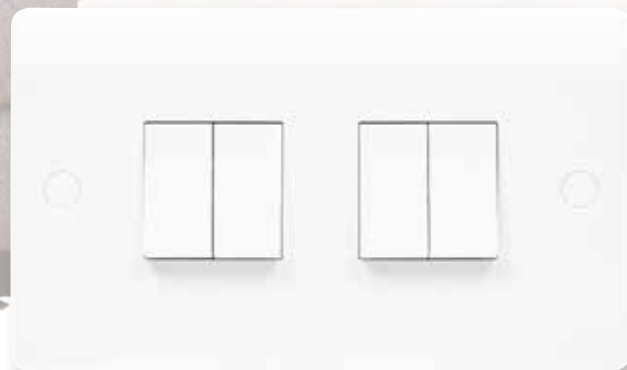

NSP612
1 Gang 2 Way Light Switch

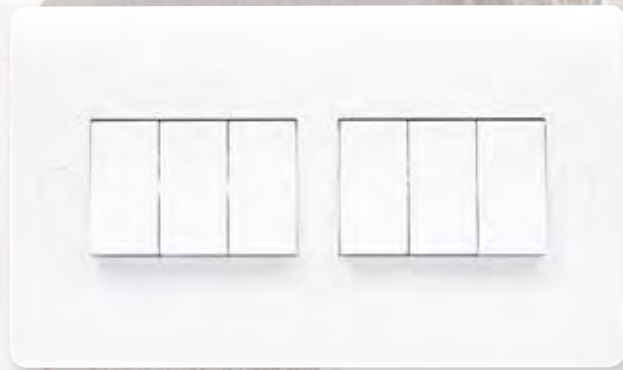

NSP622
2 Gang 2 Way Light Switch

NSP632
3 Gang 2 Way Light Switch

NSP642
4 Gang 2 Way Light Switch

NSP662
6 Gang 2 Way Light Switch

NSP6INT
1 Gang Intermediate Switch

NSP6FAN
'Fan' Isolator Switch

Dimmer Plates & Knobs

White Urea

Standard of Compliance

BS 5733: 2010 + A1: 2014

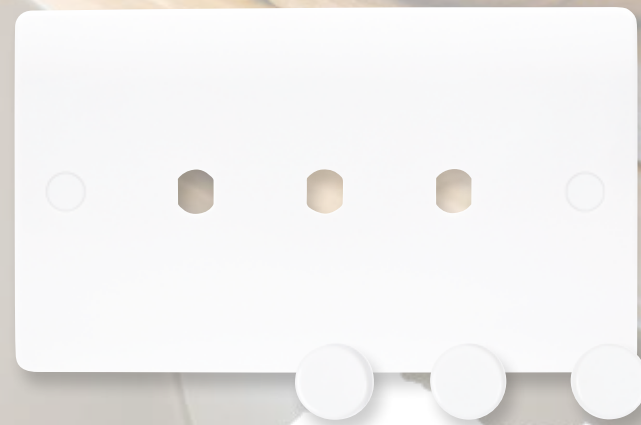

NDP1

1 Gang Dimmer Plate, Inc. 1x Knob

NDP2

2 Gang Dimmer Plate, Inc. 2x Knobs

NDP3

3 Gang Dimmer Plate, Inc. 3x Knobs

NDP4
4 Gang Dimmer Plate, Inc. 4x Knobs

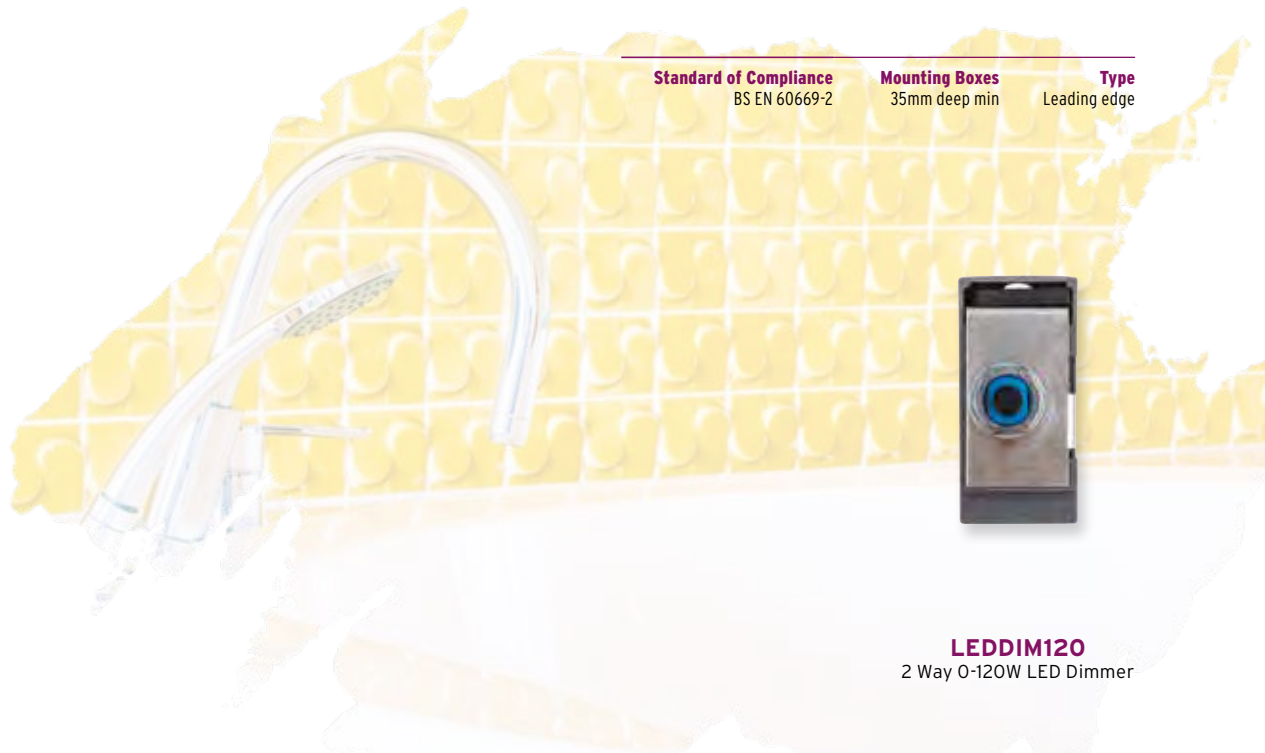

Suitable for mains & low voltage lighting
When using LED lighting check with the manufacturer for compatibility prior to installation.

120W LED Dimmer

Standard of Compliance
BS EN 60669-2

Mounting Boxes
35mm deep min

Type
Leading edge

LEDDIM120
2 Way 0-120W LED Dimmer

13A Fused Connection Units

White Urea

Standard of Compliance
BS 1363 with BS 1362 fuse

Mounting Boxes
25mm deep

Note
*Features a raised bottom
exit flex out point

NFS13
Fused Connection Unit

NFS13N
13A Fused Connection Unit with Neon

NFS13DP
Double Pole Switched Fused
Connection Unit

NFS13DPN
Double Pole Switched Fused
Connection Unit with Neon

NFS13-F*
Fused Connection Unit
with Flex Outlet

NFS13N-F*
Fused Connection Unit with
Neon & Flex Outlet

NFS13DP-F*
Double Pole Switched Fused
Connection Unit with Flex Outlet

NFS13DPN-F*
Double Pole Switched Fused Connection
Unit with Neon & Flex Outlet

Socket Outlets

White Urea

Standard of Compliance
BS 1363

Mounting Boxes
25mm deep
(USB socket outlets require
35mm deep back boxes)

Smart USB

- Standby when device is fully charged
- Detects USB devices & adjusts charge
- Protects devices in the event of an overload

Note
All 2 gang socket outlets have
2 earth terminals as standard

NS131

1 Gang 13A Unswitched Socket

NS132

2 Gang 13A Unswitched Socket

NS131S

1 Gang Single Pole 13A Switched Socket

NS131DPS

1 Gang Double Pole 13A Switched Socket

NS132S
2 Gang Single Pole 13A Switched Socket

NS132DPS
2 Gang Double Pole 13A Switched Socket

NS132USB-3
2 Gang 13A Switched Socket with 2 x USB (3.1A)

20A & 45A Double Pole Switches

White Urea

Standard of Compliance
BS EN 60669-1

Mounting Boxes
35-47mm deep

NSP20DP
20A Double Pole Switch

NSP20DPN
20A Double Pole Switch
with Neon Indicator

NSP45DP
45A Double Pole Switch

NSP45DPN
45A Double Pole Switch
with Neon Indicator

NSP45LDP

45A Double Pole White Rocker Switch

NSP45LDPN

45A Double Pole White Rocker Switch

25A & 45A Cooker Control Units

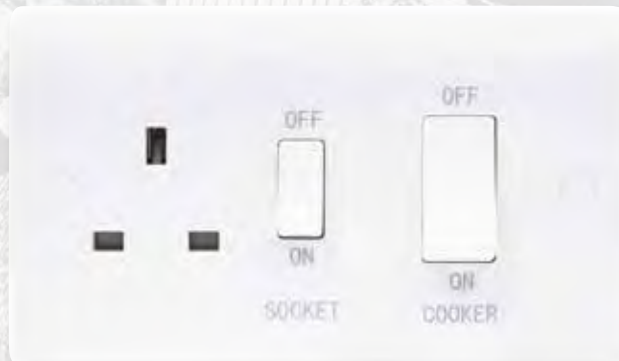

White Urea

Standard of Compliance
BS 4177

Mounting Box
35-47mm deep

NCU25
25A Cooker Outlet Plate

NCC45DP
45A Double Pole Cooker Control Unit with 13A Socket

NCC45DPN
45A Double Pole Cooker Control Unit
with 13A Socket with Neon

NCU45
45A Cooker Outlet Plate

Shaver Socket

White Urea

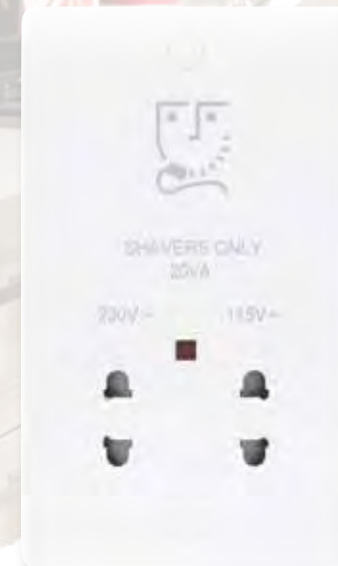

Standard of Compliance

BS EN 61558

230V input with
230V & 115V outlets

Mounting Box

47mm deep

NDVSS
Shaver Socket 115/230V

Blanking & Euro Plates

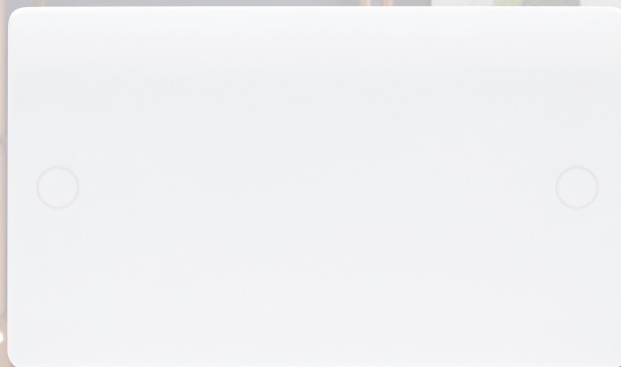

White Urea

Standard of Compliance

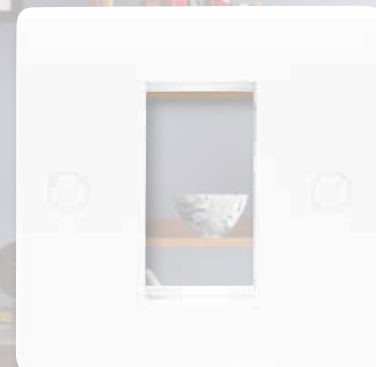

BS 5733

NBP1
1 Gang Blank Plate

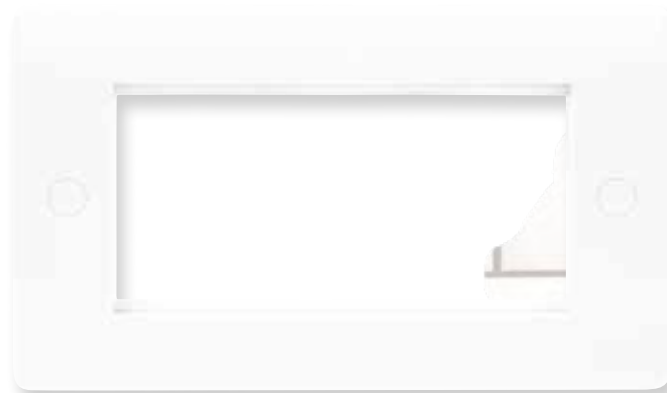

NBP2
2 Gang Blank Plate

NMP11
1 Gang 1 Module Euro Plate

NMP12
1 Gang 2 Modules Euro Plate

NMP24
2 Gang 4 Modules Euro Plate

Telephone & Data Outlets

White Urea

Standard of Compliance

Telephone sockets comply with BS EN 6312-2

Mounting Boxes

Telephone - 25mm deep
Data - 35mm deep

NTS1MDC

1x Telephone Master Outlet

NTS1SDC

1x Telephone Secondary Outlet

NDS15

1x Cat. 5 Data Outlet

NDS25

2 x Cat. 5 Data Outlet

NDS16
1 x Cat. 6 Data Outlet

NDS26
2 x Cat. 6 Data Outlet

Co-Axial & Satellite Sockets

White Urea

Standard of Compliance

TV Outlets Comply with BS 3041

Satellite Outlets Comply
with BS EN 50083-2

Mounting Boxes

16-25mm deep

NCS1
1x TV Outlet Socket

NCS2
2x TV Outlet Socket

NCS1NI
1x Non-Isolated TV Outlet

NCS2NI
2x Non-Isolated TV Outlet

10AX Switch Modules

White Urea

Standard of Compliance
BS 60669-1
