Cable Management

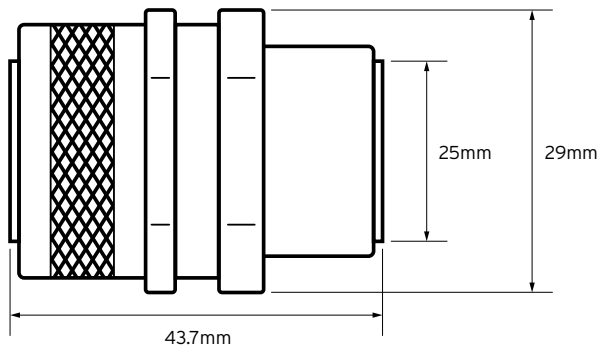

CPSP25B

Contractor Pack

Steel Liquid Resistant
PVC Covered - Black

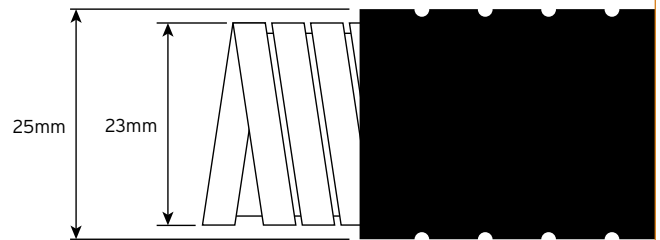

MSG2525 Technical Drawing

MSG2525 Technical Specifications

Thread Diameter	25mm
Temperature	-50°C to +300°C
Standard of Compliance	EN 61386
Material	Brass
Finish	Nickel Plated Brass
IP Rating	IP54
Dimensions	43.7 x 29mm Ø
Quantity	10

SPRP2510B Technical Drawing

SPRP2510B Technical Specifications

Material	Galvanised Steel
Cover	Self extinguishing PVC
Trade Size	25
Coil Length	10m
Temp Range	-20°C to 80°C
Isolation	IP40
Standards	EN 50086 Galvanised to DIN 53210
Crush Resistance	1500N
Colour	Black
Usage	Applications in machine tool and connections for general wiring where light mechanical stress can be obtained
