NIGLON Control & Automation PANEL COMPONENTS

POWER SUPPLY UNIT

High performance switch mode power supply unit for din rail mounting. Single phase 230V AC input converts to 24V DC output. Compact size for space saving across the rail, the unit has LED indication and output voltage trimmer. 100% full load burn-in tested. The unit has short circuit and over-voltage protection. Cooled by free air convection.

| General Characteristics | |
|-------------------------|---------------|
| Standards | CE, UL, CUL |
| Height | 95mm |
| Width | 22.5mm |
| Depth | 108mm |
| Operating Temperature | 25°C to +70°C |
| Operating humidity | 20% to 95% RH |
| Weight | 0.2 Kg |
| Operating temperature | 15°C to +80°C |
| | |

| Input | |
|-------------------------------|---------------------------|
| Input voltage | 100-240V AC |
| Input current | 0.15A / 230VAC / 50-60 Hz |
| Inrush current at 25°C 230VAC | 60A |
| Efficiency (typical) | 83% |

Input

| Output voltage range | 23.5 - 24.5 VDC |
|-------------------------|-----------------|
| Output current | 0.65A |
| Output wattage | 15W |
| Ripple and noise | 15mV |
| Hold up time | 20ms / 115VAC |
| Line regulation | 1% |
| Isolation input/output | 3000VAC |
| Isolation input/ground | 1500VAC |
| Isolation output/ground | 1500VAC |
| Surge voltage | 2KV |
| МТВГ | 200,000 hours |
| | |

Additional Information

This product is for use by skilled persons or instructed persons. The installation of this product must comply with current IEE regulations. Terminals, including those factory fitted, must be checked for correct tightness before commissioning. All terminals should be periodically checked for correct tightness. The data herein serves only to describe the product and should not be regarded as representing guaranteed properties in the legal sense. We reserve the rights of modification, whilst every care has been take in ensuring the accuracy of this catalogue, the Supplier accepts no liability whatsoever for any eventuality arising from errors or omissions within its catalogues, brochures or within any online presence.
