

Mandrels

| Size | |
|-------------|--------------------------|
| Code | Suitable for Size |
| M2025 | 14mm - 30mm |
| M3283 | 32mm - 210mm |

| Technical Specifications | |
|--------------------------|---|
| Drive | 1/4" Hex Drive |
| Use | To attach the saw to the drill |
| Complete with | Pilot Drill |
| Note | The pilot drill keeps the hole saw centred in the material to reduce movement |
