

niGLON™

Circuit Protection

EV40AXSP-5WA

5 Way EV IP65 Distribution Board

Technical Specifications

Material	Aluminium
Colour	Dark Grey
No. Ways	5
Lockable	Yes
Knockouts (20mm drillable to 32mm)	Top & Bottom x2, Sides x2, Rear x1
Ingress Protection	IP65

Devices Installed	
RCBO:	240V
Voltage	40A
Current Rating	Yes
Bi-Directional	30mA Type A
RCD Type	B Curve
Curve	Type 2 40kA
SPD	

Device Connection	Busbar and Cables (Pre-fitted)
-------------------	--------------------------------

Standards	EN 61643-11, EN 61009-1, EN 61439-3
-----------	-------------------------------------

Certification	Intertek, Semko
